*Volume Five*

To the students of Chatham Central High School—  
past, present, and future—who have made and will  
continue to make Central a wonderful school, this  
edition of the 1963 CENTRALIA is dedicated.

To those who have come this way  
before, who have paved the way  
and made Central what it is today—

A black and white photograph of a forest path. In the upper right, two children are walking away from the camera down a path that leads into a wooded area. The boy is wearing a dark sweater with a light-colored geometric pattern on the back and dark pants. The girl is wearing a plaid dress. In the lower left, three students are standing on a path and talking. A boy on the left is wearing a dark shirt and pants. A girl in the middle is wearing a plaid dress and a dark cardigan. A boy on the right is wearing a light-colored shirt and dark pants. The background is a dense forest of trees.

To those who are here now, who strive each day to broaden fields of interests in education, activities, and sports.

And to the future students of Central who are yet to come, who will ever face the future whatever it will bring, with the inspiration they have learned here.

*We Learn Today . . .*

Science, when well digested, is nothing but good sense and reason.

French! The mystery of the ages, yet interesting because it is new.

A typewriter that makes so many errors is a terrible machine.

Oh, to have lived in the good old days when excitement flourished on the frontiers of America.

# ... Preparing For Tomorrow

The signs of the times and the seasons are marked by the bulletin boards in the hall.

First we plan and then we build; at last, we see the finished product.

The culture of our land is in the hands of those who cook and sew.

Mathematics is a key to the universe.

# *Last Will and Testament*

We, the Senior Class of nineteen hundred sixty-three, having reached the final steps of our high school education, find that during the past four years we have accumulated many talents, features, and priceless possessions. Now knowing that we shall soon depart, we do bequeath the following to those whom we are leaving behind:

## ARTICLE I

To the faculty, we leave our gratitude and deep appreciation for the interest they have shown in us during our past high school days.

## ARTICLE II

To the Juniors, we leave the realization that you will soon be taking our place as "dignified Seniors." Make this year the best, because it will be your last. (We hope!)

To the Sophomores, we leave our congratulations for having reached the second step of the four, and we are glad you know your way around a little better.

To the Freshmen, we leave the hopes that your next three years will be much smoother than the one you spent as "greenhorns"!

## ARTICLE III

- I, GOLA GAINES, will my ability to have fun and always make people laugh to my brother, Eddie. Watch those wisecracks, "Pete"!
- I, REBECCA WILLIAMS, will to my sister Patsy my brain; she needs it very badly.
- I, J. B. WOODY, will my quietness to my brother, Larry. It has its advantages.
- I, JOYCE GAINES, will my position as cheerleader to Dianne Gaines—with the hope that she will enjoy it as much as I did.
- I, BETSY PHILLIPS, will my ability to nose around in other people's affairs to my cousin, Ann Oldham. Keep me informed, girl!
- I, BILLY JOURDAN, will my position as half-back on the football team to my brother, Bobby. Hope Y'all win a few games!
- I, JANE PHILLIPS, will my love for Shakespeare's sonnets to anyone who appreciates the beauty of words. They're really understandable after deep thought and hard work.
- I, GLENN ROSE, will my ability to charm the girls(I inherited it from my brother Alex) to Bobby Lee. Keep 'em happy!
- I, ROSALEE EMERSON, will my desire to be an individual to my sister Susan, who I hope will strive a little harder than I did.
- I, NANCY WELCH, will my title "Homecoming Queen" to my sister, Carlene. Maybe it will be dried out by the time she gets it!
- I, PEGGY RUSSELL, will my love for music and my seat in Glee Club to Larry Holt. Keep it warm, boy!
- I, LEWIS PHILLIPS, will to my brother Riley, my Chevy II and all the good times that go with it. Take it easy, Riley; that Chevy's had a hard time!
- I, MAUDE TALLEY, will my tallness to my sister Betty and my cousin, Susie Murchison. My love for pickles and hamburgers I'll take with me!
- I, JEAN MOODY, will my wisecracking moods to Carol Moore. Steer clear of the teachers; they don't appreciate them.
- I, BOBBY GENE WHITE, will my "Two" seats in English to Wayne Carter. Study hard and maybe you won't need both of them.
- I, PEARL MORRISON, will to my sister, Brenda, my position on the girls' basketball team; and to my brother Donnie, I will my job on the Bear Facts Staff.
- I, KAY KISER, will my ability to find my way around in Bennett to Linda Joyce.
- I, CHARLES PHILLIPS, will my Chevy to anyone who is crazy enough to want it.
- I, CHARLENE TILLMAN, will to my sister Iris Flo my ability to have a good time anytime, anywhere. Don't follow too closely in my footsteps, "Arce."
- I, IDA BELL HART, will my ability to talk so much and yet keep the teachers thinking I'm quiet to my cousin, Mary Sue Bright. Get Busy!
- I, JESSE KING, will my football uniform to Franklin Crutchfield with the hopes that he will do a better job of filling it than I. Go to it, Grass!
- I, JUDY JOHNSON, will my column in the Chatham News—Chatham Central Communique—to Faye King. Watch those puns! And don't make too many "comma blunders."
- I, SUE JENKINS, will to Linda Carter my ability to smile (??) all through life, no matter what happens.
- I, JAMES CAVINESS, will my ability to get along with the teachers to Dwight Hicks. My brains and good looks I'll take with me as I move along.
- I, NANCY ELKINS, will my "green" hair to anyone who can live through the consequences.
- I, JANETTE PHILLIPS, will to my sister Marcelle, the honor of someday becoming Miss Central.
- I, JOHNNIE NALL, will old number 10 to my brother Earl; don't tear it up.
- I, AUDREY GAINES, will my typewriter to my brother Dewey in hopes that he can do more with it than I did.
- I, AL CLARK, will my 4th period P.E. class to anyone with fortitude enough to take those freshmen.
- I, DENNIS BROOKS, will my position as F.F.A. President to Walker Lynn Oldham. Keep those meetings orderly, "Drew"!
- I, BETTIE JANE WEBSTER, will my English books to my brother Ben. Little brother, there is a lot to learn in them, and I haven't absorbed it all!
- I, HARRELL McLAURIN, will my jeep to anyone who can keep it running.
- I, DARRELL McLAURIN, will my ability to keep all the girls in an uproar to Larry Holt; don't let 'em forget who's the boss, "Pinto"!!
- I, LINDA KECK, will my ability to make people happy to my sister Faye. Keeping yourself happy will do the trick!
- I, SAM MOODY, will my "shortness" to Bobby Wilkie. Better lay a brick on your head, Bob!

And now, having made our wishes known, we sorrowfully prepare to take our leave of Central.

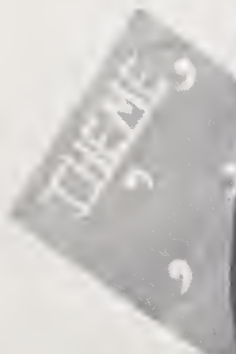

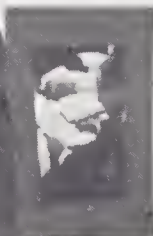

Signed, witnessed, published, and declared to be the last will and testament of the Senior Class of 1963, Chatham Central High School.
